

DESIGN SIMONE MICHELI

BOMB

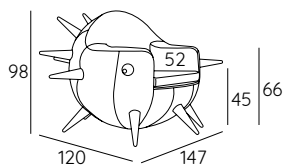

Il design iconico di Bomb s'ispira ad un oggetto di distruzione per suscitare un pensiero di pace proiettato alla vita. Il designer di Bomb affida un compito specialissimo: la sua funzione di seduta è il pretesto e l'occasione per riflettere sull'eterno dramma della guerra, auspicando che sia la vita a vincere sempre e in ogni caso.

- 1 - fibra di dacron® 100 gr;
- 2 - poliuretano espanso indeformabile di diverse densità;
- 3 - telaio in multistrato di legno di abete;
- 4 - puntali in alluminio tornito lucido.
