

DOUMO

design Setsu & Shinobu Ito

Doumo è un'espressione giapponese che invita a sedersi. La collezione Doumo è gentile e delicata proprio come il suo nome: lievi rotondità e bombature rompono gli schemi delle linee rette che lo caratterizzano, andando a riempire le superfici piane di morbidezze, senza però corrompere la purezza dei tratti lineari.

Doumo is a Japanese expression that invites you to sit down. The Doumo collection is as courteous and kind as its name: slight roundness and convexities break the pattern of straight lines that characterize it, filling the flat surfaces with softness, without disturbing the purity of the lines.
