

R*CK

design **Simone Micheli**

R*ck è un sasso metropolitano, un pouf con piccolo tavolino di servizio, un oggetto di uso dell'ambiente nato per soddisfare rinnovati rituali di condivisione spaziale da parte dell'uomo contemporaneo.

R*ck is a metropolitan stone, a pouf with a small service table, a manifesto for a new way to take advantage of the areas whose boundaries are marked by new rituals for contemporary users to share their space.
