SLY

Curve piene e forma avvolgente sono i tratti principali delle sedute Sly. Due le versioni disponibili: con schienale basso o schienale alto, come un guscio che si schiude ad accogliere chi cerca un angolo raccolto o un'oasi di privacy. Entrambe sono caratterizzate da due piccole "finestre magiche" chiuse con corde colorate intrecciate, fessure che si aprono sul mondo esterno, ma che conservano discrezione e riservatezza spezzando con la loro sinuosità il rigore degli schienali.

- 1 - fibra di dacron® 100 gr;
- 2 - poliuretano espanso indeformabile di diverse densità;
- 3 - telaio in multistrato di legno;
- 4 - piedi in legno di faggio naturale.
