

BONALDO

Skid

Skid is an elegant sofa characterised by soft back cushions and a delicate inclination of the armrests, a characteristic that lightens the overall appearance. The lightness is further enhanced by the particular conformation of the body, that is suspended from the floor thanks to a base in painted metal, available in two different forms: straight feet or sled-shaped base. The purity of the lines makes Skid suitable both for

environments with a contemporary style and those of a more classic taste. In addition to the linear sofa, it is possible to create solutions with chaise longue or corners, combining poufs or opting for more creative compositions, meeting the widest variety of functional needs. The upholstery, in fabric or leather, is fully removable.
