PRODUCT CARE

We recommend using a soft rag, either dry or wet. When needed, use ph-balanced soap diluted in water. Do not use abrasive sponges as they may leave scratches. Immediately dry after washing with a soft rag or a chamois leather. Periodic and correct maintenance allows the product to keep its original aspect and lengthens the duration of its performance.

WARNING

Do not use different cleaning products from the ones mentioned above. Do not use the product in an improper way. Do not place hot objects on it, stand on it or use the product as a ladder. Maximum weight allowed for each shelf: 35 kg. Once disused, please make sure this product is disposed in an environment-friendly way.
